# How To Let The Law of Attraction Help You Lose Weight

### **Product Description**

It's always working, so why not learn how to make the law of attraction work with you in your desire to lose weight. You can't argue with the law of attraction any more than you can argue with the law of gravity. They're both at work in our lives. Learn how you can sabotage your weight-loss success because of what you don't know about this principle. Learn how and why slimming down to your ideal weight should be enjoyable. This book is a quick easy read, pro... [More >>](#)
