Manifesting abundance and living your bliss

I'm just not happy with my current situation. I have enough money to get by and an adequate house for my needs but what I have been asking for and concentrating on is to bring abundance into my life. It's just not happening, what am I doing wrong? This question is responded to by the White, Winged, Collective, Consciousness of Nine, through Magenta Pixie. Music "Sudden Clarity" and "Electric Planes" by Freeplay Music LCC
